

**KU UNDERGRADUATE BIOLOGY  
ANNOUNCES A CALL FOR APPLICATIONS FOR  
THE PAUL A. KITOS AWARD FOR  
EXCELLENCE IN UNDERGRADUATE  
BIOCHEMICAL RESEARCH**

Presented annually to an undergraduate based on achievement in biochemical research.

***Award Amount:***

Past awards have been \$200.

***Eligibility:***

Any undergraduate student pursuing a degree in the biological sciences, and who is currently participating in biochemical research.

***What to Submit:***

Applications must include:

- 1) an application form (see back of this announcement),
- 2) a one page summary of research,
- 3) an ARTS form,
- 4) one letter of recommendation with attached waiver (waiver forms are available in 2045 Haworth or at [www.kuub.ku.edu](http://www.kuub.ku.edu) "Awards and Scholarships").

***Submit Application Materials and Address Questions to:***

Pam McElroy, Undergraduate Biology, 2045 Haworth Hall, 864-5883 ([pmcelroy@ku.edu](mailto:pmcelroy@ku.edu)).

Questions may also be addressed to Yoshiaki Azuma, Awards Committee, 3037 Haworth, 864-7540 ([azumay@ku.edu](mailto:azumay@ku.edu)).

***Deadline for receipt of all application materials:  
5:00 pm, Friday, October 16, 2009.***
